**Delilah Green Doesn't Care** by **Ashley Herring Blake** (Trade Paperback – \$23). *LGBTQ+. Bright Falls Series*. Delilah Green swore she would never go back to Bright Falls—nothing is there for her but memories of a lonely childhood where she was little more than a burden to her cold stepfamily. Her life is in New York, with her photography career finally gaining steam and her bed never empty. Sure, it's a different woman every night, but that's just fine with her...When Delilah's estranged stepsister, Astrid, pressures her into photographing her wedding with a guilt trip and a five-figure check, Delilah finds herself back in the godforsaken town that she used to call home. She plans to breeze in and out, but then she sees Claire Sutherland, one of Astrid's stuck-up besties, and decides that maybe there's some fun (and a little retribution) to be had in Bright Falls, after all...Having raised her eleven-year-old daughter mostly on her own while dealing with her unreliable ex and running a bookstore, Claire depends upon a life without surprises. And Delilah is an unwelcome surprise...at first. Though they've known each other for years, they don't really know each other—so Claire is unsettled when Delilah figures out exactly what buttons to push. When they're forced together during a gauntlet of wedding preparations—including a plot to save Astrid from her horrible fiancé—Claire isn't sure she has the strength to resist Delilah's charms. Even worse, she's starting to think she doesn't want to...

**Before We Were Strangers** by **Renée Carlino** (Trade Paperback – \$32). *To the Green-eyed Lovebird*: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more...We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other...Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for *National Geographic*. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding...I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello...After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? *M*

**Every Summer After** by **Carley Fortune** (Trade Paperback – \$26). They say you can never go home again, and for Persephone Fraser that has felt too true for the last decade, ever since she made the biggest mistake of her life. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends, and keeping everyone a safe distance from her heart. Until the day she gets a call that sends her racing back to Barry's Bay and into the orbit of Sam Florek...For five summers, through hazy afternoons on the water and warm summer nights working in his family restaurant and curling up together with books—medical textbooks for him and work-in-progress horror short stories for her—Percy and Sam had been inseparable. And slowly that friendship turned into something breathtakingly more, before it fell spectacularly apart...When Percy returns to the lake to attend Sam's mother's funeral, their connection is as undeniable as it had always been. Percy must confront the decisions she's made and the years she's spent punishing herself for them, in order to determine, once and for all, whether their love might be bigger than the biggest mistakes of their past.

So when she overhears her boss complaining about a beastly high-profile author who has failed to deliver his long-awaited manuscript, Isabelle sees an opportunity to prove her worth and finally get the recognition she deserves...All she has to do is go to the author's Santa Barbara mansion and give him a quick pep talk or three. How hard could it be?...But Izzy quickly finds out she is in over her head. Beau Towers is not some celebrity lightweight writing a tell-all memoir. He is jaded and withdrawn and—it turns out—just as lost as Izzy. But despite his standoffishness, Izzy needs Beau to deliver, and with her encouragement, his story begins to spill onto the page. They soon discover they have more in common than either of them expected, and as their deadline nears, Izzy and Beau begin to realize there may be something there that wasn't there before.

**The Librarian Always Rings Twice** by **Marty Wingate** (Mass Market Paperback Release – \$22). *First Edition Library Mystery Series*. When a mysterious stranger turns up making claims that threaten Lady Fowling's legacy, Hayley Burke must dig deep into her late benefactor's history to uncover the truth and catch a conniving killer...It has been nearly a year since I took up my position as curator of Lady Georgiana Fowling's collection of Golden Age of Mystery writers' first editions at her library in Middlebank House. I have learned that I need to take the good with the bad. The good: I have finally convinced Mrs. Woolgar to open up the collection to the public one day a week so that they too can share in Lady Fowling's passion. The bad: although he would not be my first, or even tenth, choice, at the insistence of the board Charles Henry Dill, Lady Fowling's unscrupulous nephew, is now my personal assistant...On one of our first days open to the public, Mr. John Aubrey shows up at Middlebank House and insists that Lady Georgiana Fowling is his grandmother. Mrs. Woolgar is scandalized by his claims, and Charles Henry, who feels he has been cheated out of his rightful inheritance as Lady Fowling's heir, is furious. I do not know that I believe Mr. Aubrey, yet he has knowledge of Lady Fowling's life and writings that few possess. To further complicate matters, an associate of Mr. Aubrey's intends to help us uncover the truth of John's story. But before he can do that, he is murdered and the police have reason to suspect Charles Henry...As much as I would like to lock up Charles Henry and throw away the key, I cannot believe he is a killer. And I also know there is something dead wrong about Mr. Aubrey's tales regarding his "grandmother" Lady Fowling. I will need to make sense of her past in order to suss out the true villain of this story.
