**Keep Me Never** by **Meagan Brandy** (B Paperback—\$27). *Boys of Avix Series*. On the outside, it looks like I've got it all together. I'm killing it on the football field, pushing harder than ever before and breaking league records... But on the inside, I'm drowning and there's no one to pull me up... Until her... I tried to stay away, to keep my distance so I wouldn't ruin us both, but I was powerless against her... She's everything I didn't know I wanted and more than I could ever deserve... Just when I think maybe I'm becoming the man I want to be, my world comes crashing down around me, and I'm faced with a choice that has the power to break us both... Suddenly, I'm right back where I started. I'm the guy with nothing to give—and she's the girl who deserves the world.

**Broken Harbor** by **Catherine Cowles** (B Paperback—\$27). *Sparrow Falls Series*. Since the moment our lives fell apart, the only thing that mattered was making a good life for my seven-year-old son. A life where he was happy and safe... I just never expected to find safety with a hockey player known for his brutal dominance on the ice and recklessness off it... But Cope Colson is so much more than his public persona... And when my life falls apart again, he's the one picking up the pieces. Until we're living in his house, eating his chef-worthy meals, and I'm falling for him. Hard... But Cope has secrets, and so do I... Forces from our pasts soon emerge from the shadows, and it seems they'll stop at nothing to end our happiness. Once and for all...

**Pen Pal** by **J.T. Geissinger** (B Paperback—\$25). It all began with just one line... The first letter arrived the day my husband was buried. It was postmarked from the state penitentiary and contained a single sentence: I'll wait forever if I have to... It was signed by Dante, a man I didn't know... Out of simple curiosity, I wrote back to ask him what exactly he was waiting for. His reply? You... I told the mystery man he had the wrong girl. He said he didn't. I said we'd never met, but he said I was wrong... We went back and forth, exchanging letters every week that grew increasingly more intimate. Then, one day, the letters stopped. When I found out why, it was already too late... Dante was at my doorstep... And nothing on earth could have prepared me for what happened next.

**Unfurl** by **Elodie Hart** (20.2x13.2 Trade Paperback—\$30). *Alchemy Series*. An upbringing steeped in purity culture has saddled me with three things: an intact V-card, enough Catholic guilt to fill a cathedral... and a raging priest kink... My religious extremist father is intent on preserving my virtue, but when I meet my magnetic older neighbour, Rafe, it seems the universe has other plans for my body... and my soul... He's the precise opposite of me: a man who views sex as a commodity, whose club caters to the wealthiest, most debauched clientele in London... But when I discover the club offers a

programme to "unfurl" inexperienced women like me in a safe space, I'm in. Even the entry questionnaire has me aching with desire. It seems I'm about to get schooled in every delight I've been missing... Rafe makes it his mission to bring my wildest fantasies to life. When he and his friends don their dog collars, they put the hot into hot priests. He's so attentive, so possessive, and I have to remind myself that a boring little virgin like me could never make man like him happy in the long run... So when all the religious BS I've been battling comes to a head in the most horrifying way, what right do I have to think he'll stick by me?

**The Defender** by **Ana Huang** (B Paperback—\$27). *Gods of the Game Series*. He has to play by the rules... but for her, he'd break them all... As the captain of Blackcastle Football Club and one of the highest-paid athletes in the game, Vincent DuBois should be on top of the world... But when his fame brings danger to his doorstep, he finds himself in his worst nightmare scenario—secretly sharing a flat with his coach's daughter, knowing full well she's far too big a temptation for him to resist... When his new living arrangements escalate into a bet that throws them even closer together, he realizes he's in deeper trouble than he thought... He's always played to win—but for her, he might just risk it all... As a sports nutritionist and the daughter of a legendary coach, Brooklyn Armstrong is used to dealing with hotshot athletes... However, no player gets under her skin like Vincent, her best friend's infuriatingly cocky (and gorgeous) brother. She left California hoping for a fresh start, and he's the kind of distraction she doesn't need... Now, he's sleeping in the room next to hers while her career is up in the air and her defenses are crumbling... But no matter how many sparks fly between them, a relationship between the captain and the coach's daughter could never work... could it?

Despite Landon's psychotic tendencies that push Mia to the edge, his obsession pulls them closer together in ways neither expected... But as Landon gets nearer to the truth about Mia's past, so do the horrors that haunt her... She may have learnt to trust him. But when it all comes crashing down, will he protect or ruin her?

Amelia suspects the stalker may be connected to the shadowy organization responsible for the night that she and her two friends lost to amnesia—a night that upended their lives and left them with paranormal talents... Gideon suspects that Amelia is either paranoid or an outright con artist, but he can't resist the chemistry between them. He takes the case despite his skepticism. For her part, Amelia has second thoughts about the

### **Contemporary Romance & Romantic Suspense**

wisdom of employing the mysterious Mr. Sweetwater. She is wary of the powerful attraction between them, and deeply uneasy about the nightmarish paintings on the walls of his home. She senses they were inspired by his own dreamscapes... Amelia knows she doesn't have time to find another investigator, and Gideon is forced to reckon with the truth when he disrupts what was intended to be Amelia's kidnapping. Now the pair is on the run, with no choice but to return to the haunting ruins of the old hotel where Amelia's lost night occurred. And he'll stop at nothing to change her last name... With a love as all-encompassing and fierce as theirs, they become the ultimate power couple. But when they decide it's time to have a baby, they discover their journey to conceive will be anything but easy. As they face-off with infertility, a battle that strips them to their bones, they'll see just how unshakeable their foundation really is... They thought they could survive anything together, but how do you survive when you're barely breathing?

**The Broken Vows** by **Catharina Maura** (B Paperback—\$27). *Windsors Series*. She was his first love, his first heartbreak, and his only regret... Celeste and Zane are childhood rivals, inheriting their rivalry from their grandparents before them. Except, the line between love and hate is thinner than either expected. When Celeste returns from college overseas, Zane asks for a chance to show her he's no longer the childish boy she grew up with... The two date, despite the odds, and despite their grandparents' disapproval. Just as they've decided to forge ahead and get married, tragedy strikes, forcing them apart, and leading Celeste to believe Zane cheated on her with her best friend, who takes her own life after confessing... As a result, she attempts to sabotage our (innocent) hero, who in turn brings her family's company to the brink of ruin, only for both grandparents to intervene and enforce a merger, and an arranged marriage between the two... The two learn to be together again, and the longer they're married, the clearer it becomes that the truth is subjective... The two must learn to overcome their past, and build a future from the ruins.

**Souls and Sorrows** by **Sav R. Miller** (B Paperback—\$27). *Monsters and Muses Series*. Her new husband isn't the monster she thinks... Cash Primrose takes his namesake seriously. As a successful environmental lawyer, work is his focus, and he has no room on his plate for anything else. That is, until an ex-ballerina gets herself into a bind at an underground auction, and he becomes so enamored with her that he ends up placing a bid... A quarter of a billion dollars later, and suddenly Cash is married to more than just his career. Not to mention, his new wife is a complete nightmare... As the middle daughter of a once-prominent crime family, and her mother's former punching bag, Ariana Ricci is no stranger to grappling for control. She relies on seduction and violence to get what she wants, and thinks her new husband will be just as easy to manipulate as the men she's used to dealing with... Only, Cash is different. He won't touch Ariana, doesn't retaliate when she lashes out in anger, and, in spite of their temporary status, sticks up for her when he could just let her get into trouble... He isn't exactly kind, but perhaps the stoic, secretive lawyer is precisely what she needs to start healing once and for all.

Too bad he's twelve years older than me and treats me like a little sister... Anyway, I've got other things to worry about—like saving my favorite animal shelter and fostering an anxious pup called Pretzel. The only problem is, I'm not allowed to have dogs in my apartment...

Cory: I shouldn't have suggested Josie and Pretzel stay at my place. I've been fighting feelings for that woman for five years. She's too young, too much my employee, and way too sweet for a guy like me... But the more time we spend under one roof, the harder it gets to keep my hands off her—especially when she's bent over on her yoga mat in our living room. Can't a guy catch a break? I know it's selfish of me to act on this. I'm a committed bachelor like my father and will only end up hurting her. But now that I've let Josie in, can I become the man she deserves?

**The Mistletoe Kisser** by **Lucy Score** (B Paperback—\$26). *Blue Moon Series*. Ryan Sosa, grumpy former corporate accountant, has had it up to here with surprises. He didn't see getting fired coming. And he certainly didn't anticipate flying across the country to the world's hippie-est, happiest, most annoying town to save his great-uncle from some mysterious emergency... Not only is there actual snow on the ground, it also appears that elves on psychedelics have decked Blue Moon's halls. But he doesn't have time to be snarky about the impending Winter Solstice and Multicultural Holiday Celebration—whatever the hell that is. Not when he's got a farm to save, a free-range sheep that he may or may not have nudged with his stupid microscopic rental car, and some small-town veterinarian telling him she can't take the animal off his hands... Dr. Sammy Ames has a practice to manage and a fundraising crisis to attend to. She doesn't have time to deal with a big-city grouch who doesn't remember being her first kiss ever. Especially not since he wants to dump a sheep named Stan on her. So not happening. No matter how cute—and pantless—Ryan is when he's drunk... Besides, as soon as he solves his uncle's problem, he'll be on the first flight out of Blue Moon, never to return again... It will take a Winter Solstice Miracle or perhaps some matchmaking interference from the Beautification Committee to get these two to see eye-to-eye under the mistletoe... unless he's the wrong Ryan after all.

As the CEO of Miles Media's U.K. division, he commands attention with a glance. Women adore him, men respect him, and his reputation as a legendary Casanova precedes him. For years, Kate has been his sworn enemy, and they've clashed at every turn. But everything changes the night he catches her dancing alone in her office... When Summerset learns of the crime, his shock and grief are clear—because, as he eventually reveals, he himself was one of The Twelve. It's not a part of his past he likes to revisit. But now he must—not only to assist Eve's investigation, but because a cryptic message from the killer has boasted that others of The Twelve have also died. Summerset is one of those who remain—and the murderous mission is yet to be fully accomplished...

Yet, she captivated not one, but three gentlemen... James Corbin, Viscount Finchley, has a dual mission. First, guarantee that his debaucherous brother, George, the Duke, goes through with his upcoming marriage. Second, ensure that his best friend, Burke, does not get married... at least not to the living, breathing gorgon that is Lady Olivia Rutledge. Burke is fully in agreement... Together with their friend, Lieutenant Renley, the gentlemen concoct an elaborate ruse to set Burke free. But as George's wedding day nears, secrets from the past emerge that threaten ruin upon each gentleman's future. Fortunately, it's Rosalie to the rescue... Rosalie has plans of her own, not only to save Burke from the altar, but to save Renley from the ghosts that haunt him—and to save James from himself. Meanwhile, to win her, each gentleman will try anything, risk anything, and be anything she needs. Rosalie can't help but wonder, why choose?
